America 250 Ohio
City of Cheviot
3814 Harrison Ave.
Cheviot, OH 45211

CHEVIOT, OHIO

**Cheviot, Ohio has proudly
been selected to be a
community City for
the celebration of the 250th
birthday of the United
States of America**

A Bell Tower
(similar to this)

**will be
constructed at**

**Cheviot
City Hall**

**to commemorate this
historic occasion.**

The City of Cheviot

joins statewide effort to commemorate

America's 250th Anniversary

In October, 2024, The City of Cheviot announced they will work in unison with the

America 250-Ohio Commission,

Ohio's official state commission that is charged with creating the celebration of the country's semi quincentennial

as an official **America 250-Ohio Community.**

As a partner of the America 250-Ohio commemoration, the **City of Cheviot** will have the opportunity to showcase its commitment to honoring the state of Ohio diverse history and cultural heritage. The **City of Cheviot** will receive special recognition and a designation as an official

America 250-Ohio Community
and have access to a number of resources.

Committee Formed

After the announcement in October, Mayor Sam Keller appointed Bonnie Perrino and Amy Richter as co-chairs of the committee to lead the efforts in Cheviot for a year long of celebrations happening here.

Seventeen community members met and all are collaborating ways we can forever remember this milestone in our nation. The City has acquired a beautiful old bell and will be erecting a bell tower to be placed on the grounds of City Hall on Harrison Avenue. A time capsule will be within the tower. A landscaped brick walkway will surround this structure.

Anyone has an opportunity to purchase a brick(s) and have your name, or a special inscription engraved on the brick. It will forever be a legacy to our community.

There are many celebrations in the planning stages, but we encourage you to purchase your brick early, as a limited number will be placed.

Rich Martin & Troy Borgmann

are the chairmen for the America 250 Cheviot Ohio Bell Tower committee

Any questions, please email
