- (5) Any other information which the HPO or HLC may deem necessary.

Criteria for designation as a Historic Landmark:

Section 40-105 and 106: Historic Preservation states that historic landmark designation may be initiated by the city or the property owner using the following criteria for designation:

An individual landmark may be designated if it is at least 50 years old and it substantially complies with two or more of the following:

- (1) Possesses significance in history, architecture, archeology, and culture.
- (2) Associated with events that have made a significant contribution to the broad patterns of local, regional, state, or national history.
- (3) Associated with events that made a significant impact in our past.
- (4) Represents the work of a master designer, builder, or craftsman.
- (5) Embodies distinctive characteristics of a type, period, or method of construction.
- (6) Represents an established and familiar visual feature of the city.
