TOWN OF LOOMIS BUILDING DEPARTMENT

WHAT IS A BUSINESS LICENSE INSPECTION AND HOW DO I SCHEDULE ONE?

As part of the business license process, the Town's Fire Prevention and Building Safety Divisions need to inspect your business to ensure that the location meets the minimum requirements for safety and emergency access. The Town of Loomis Building Department will need the following information and a simple floor plan showing use and occupancy of each area. If any existing fire separations exist please note that on the plan.

Space is provided for a floor plan but an additional sheet is also acceptable.

Schedule an inspection and email this form and plan to
