All general contractors and sub-contractors must be registered with the City prior to receiving a permit.			

I hereby certify that I have read and examined this application and know the same to be true and correct. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating building, fire, health, and safety codes. I understand that failure to comply with the laws and ordinances governing this construction may be a violation and subject to the issuance of a work stop order or a citation.

All construction requires final inspections, and a certificate of occupancy shall be issued before a building may be occupied.
