Distance To "School" Measurements for All License Types

The distance to the school should be measured per 1 C.C.R. 203-2, Regulation 47-326, and determined to be greater than 500 feet computed by direct measurement from the nearest property line of the land used for school purposes to the nearest portion of the building in which malt, vinous, or spirituous liquors are to be sold, using a route of direct pedestrian access, measured as a person would walk safely and properly, without trespassing, with right angles at crossings and with the observance of traffic regulation and traffic signals.

☐ No public or private schools meeting compulsory education requirements of Colorado law, or the principal campus of any college, university or seminary are located within 500 feet of the proposed property.

Liquor Licensed Drug Store (LLDS), Fermented Malt Beverage, or Retail Liquor Store (RLS) applications (if applicable)

The distance between the principal doorway of the LLDS/RLS may not be located within 1500 feet of another retail liquor license for off-premises sales as determined by a radius measurement that begins at the principal doorway of the LLDS/RLS premises for which the application is being made and ends at the principal doorway of the Licensed LLDS/RLS.

The distance between the principal doorway of the FMB may not be located within 500 feet of another retail liquor license for off-premises sales as determined by a radius measurement that begins at the principal doorway of the FMB premises for which the application is being made and ends at the principal doorway of the licensed RLS.

☐ The proposed LLDS/RLS is not located within 1500 feet of another retail liquor license.

☐ The proposed FMB is not located within 500 feet of another retail liquor license.
