NOTE: Burning the following material **is prohibited:** all listed materials must be disposed of in an approved landfill:

Treated lumber Shingles Tires Creosote Timbers Appliances Plastics Furniture Wire Boats
Asbestos materials Household trash and garbage Electronics Structures (Barns, houses, etc.)

Note: Any person conducting a burning operation within the State of Texas is required to conform to the provisions of the Texas Clean Air Act and the rules of the Texas Natural Resource Conservation Commission. Please continue to contact us and continue to complete a notification before each burn. (Call Santa Fe Police Department before each burn @ 409-925-2000.)

NOTICE: I hereby certify that I have read and examined this application and know the same to be true and correct. I have read and familiarized myself with provisions of the City of Santa Fe outdoor Burning Ordinance, also known as Chapter 5, Section 5 "Outdoor Burning" of the Ordinance of the City of Santa Fe, Tx. I understand that all outdoor burning must be conducted in a safe manner and in compliance with this ordinance. I understand that any failure to comply with these regulations, adverse changes in environmental conditions or the creation of a public nuisance, whether intentional or unintentional, will be grounds for a temporary or permanent cancellation of this permit. I understand that any duly authorized agent of the City of Santa Fe or Santa Fe Fire and Rescue may require the extinguishing of any fire allowed by this permit.

Furthermore, I attest that there is no practical alternative to burning and affirm that I will conduct the burning in a manner that will not cause or contribute to a nuisance, traffic hazard, or to a violation of any federal or state primary or secondary ambient air standard.
