I voluntarily agree to submit to a physical examination and I also agree to and understand that a drug and alcohol screen test will be a part of this examination. I understand that falsification is grounds for termination of employment. I further agree to and understand that the City can, at any time, require me to have a physical examination that includes a drug and alcohol screen test. I authorize release to the City of any medical information concerning my past or present condition by any medical practitioner or hospital.
