Municipal Parking Permit Application

MARCH 2026

Parking permits allow for parking in Municipal Parking Lots during times meters are active and only allow for parking without paying a meter fee. Parking Permits are not active for on street parking.

Parking Permits are not transferable unless authorized by the City. Any change in the information submitted below must be reported to the Public Safety Department. Failure to change this information may result in invalidation of the parking permit. Refunds may be issued on a monthly, pro-rated basis. Notification to the City before the last business day in any given month is required to receive the remaining full month(s) refund.

Permit information is electronically tracked via license plate; no physical permit is issued.
