Electrical Homeowner's Affidavit

This is to certify that I am the property owner of the premises located at _____ and that the electrical work covered by permit number _____ is to be installed by me in a building owned and occupied as my home. I understand that under these provisions of ordinance this homeowner's affidavit requires me to install the electrical work and it is illegal for me to hire, either for profit or for free, anyone to do this electrical work on my behalf. In the event that this electrical work is not approved by the electrical inspector as required by the model code that the City of Garland is currently enforcing, I verify that I will make the required corrections to conform to said Code and / or the City of Garland Electrical Ordinances. I ensure that I will call for all required inspections.

I furthermore certify that I am aware of the provisions of the City of Garland's Electrical Ordinance which states: *"Where the electrical work done by a property owner is deemed hazardous to persons and property, and repairable beyond the skills and electrical knowledge of said property owner, the Building Official may void said permit or validation obtained by the homeowner. In such event, the electrical work would be required to be completed by a licensed electrical contractor, registered with the City of Garland."*
