DS-167
May 2024

Final inspection approval will require this completes form to be on site along with the job card

Permit Number _____ Date: _____

Project Address: _____

Property Owner: _____ the undersigned does hereby
certify that I am the property owner of the above referenced property. I further certify that smoke alarms
and carbon monoxide alarms are present and functional in all the following locations. All boxes must be
checked below.

- ☐ Smoke alarms and carbon monoxide alarm: on the ceiling or wall outside of each separate
sleeping area in the immediate vicinity of bedrooms or in each hallway outside of the rooms.
- ☐ Smoke alarms: In each room used for sleeping purposes.
- ☐ Smoke alarm and carbon monoxide alarm: In each story, including any habitable basement;
(Note: in dwellings or dwelling units with split levels and without an intervening door
between the adjacent levels, a smoke alarm and a carbon monoxide detector installed on the
upper level shall suffice for the adjacent lower level is less than one full story below the
upper level).
- ☐ Carbon Monoxide alarm: where a fuel-burning appliance is located within a bedroom or
attached bathroom, a carbon monoxide alarm shall be installed within the bedroom.

All dwelling units with attached garages or fuel fired appliances require carbon monoxide detectors.

Signature: _____ Date: _____

California Residential Code (CRC) Section 314 & CRC Section 315

NOTE: This certification is only used when normal access to the interior of the dwelling by the City of Murrieta
inspector is not achieved during the course of project construction. It is normally used for exterior projects such
as re-roofing, patio covers, Solar Photovoltaic insulations, and similar exterior construction work.
