PERMIT EXTENSION REQUEST

Date: _____

Property Location: _____

Type of Permit(s): _____

As legal owner of the subject property/licensed contractor, I formally request a
_____ day Permit extension because:

It is understood that this extension cannot exceed 180 days and no further extension can be granted per 2025 California Building Code. Inspections must be requested within _____ days of the extension date. I also understand that per the Pico Rivera Municipal Code work (structure, electrical, plumbing, mechanical, etc.) that remains uncompleted or unfinished for 180 days, is required to be removed; or construction plans must be resubmitted to the Building Division requiring repayment of plan check and building permit fees.
