Permit Expiration Date Time Extension

The Chief Building Official per the California State Building Code may extend expiration dates for applications and issued building permits.

- A permit extension may be granted, for justifiable cause, at the discretion of the Building Official
- Burden of proof for justifiable cause is with the permit applicant
- Each extension request fee is calculated per the current Benicia Master Fee Schedule and fees are due prior to the time of extension request. Fees cannot be waived
- No permit shall be extended more than (3) three times for a maximum extension of 90 days total
