BUILDING PERMIT APPLICATION INSTRUCTIONS

A BUILDING PERMIT IS REQUIRED BEFORE commencing construction or other improvement, removal or demolition of any building or structure (including auction barns, farm residences and other such structures) except as noted below; and BEFORE the installation of heating equipment.

A BUILDING PERMIT IS NOT REQUIRED for necessary dimensions and schedules. repairs which do NOT involve material alteration of structural features, plumbing, electrical or heating/ventilation systems; for agricultural buildings such as dairy barns and poultry houses; erecting fences, constructing non-commercial storage facilities under 140 sq. Ft.; and for replacing roofing or siding materials. (Under 25%)

ITEM INSTRUCTIONS FOR THE APPLICATION: (Items not listed are self explanatory. For further assistance, contact one of the offices listed below.)

3C. The tax map or property ID number can be obtained

from the local assessor, by consulting the appropriate tax

map, or through your county real property tax office. A Certificate of Occupancy will not be issued without this number.

5. Worker's compensation and disability benefits are necessary if wages are to be paid to anyone working on the project.

6. Project cost includes the material and labor costs associated with project work. Not included are architect,

attorney, engineer or other fees and land acquisition costs. Project costs do include direct costs for wells, septic systems, electrical hook-ups, foundation systems, etc.

7. If unsure of class, check off UNKNOWN or refer to Part 701, 19 NYCRR. Most new single family homes are wood frame construction.

8. Your Town Clerk may be able to help you determine if the project site is in a flood plain or is designated as a wetland. If not, contact the nearest NYS Department of Environmental

Conservation.

9. Enter Oil Hot Air, Oil Hot Water, Electrical Baseboard, Wood, etc., as appropriate

SEND THIS COMPLETED APPLICATION TO THE OFFICE BELOW:

CODE ENFORCEMENT OFFICER

3 Elm Street

Deposit, New York 13754

10. The original seal and signature of a licensed and registered architect or professional engineer must be affixed to ALL plans submitted; except residential buildings under 1,500 sq. Ft. of living area, OR for Interior alterations costing under \$10,000. Plans should include site work and landscaping, elevations, sections,

11. Undertaking activity that requires a building permit prior to obtaining such a permit is prohibited. In considering what action, if any, to take in specific case, the Department will evaluate violations based on prior experience with the applicant and other relevant factors.

12. It is the builder's responsibility to notify the Building Inspector when the building is ready for inspection. (A set of Plans should be on site).

1st Inspection - Foundation and Septic System

2nd Inspection - Shell - Electrical and Plumbing

3rd Final Inspection - When the building is complete and a request is made for a Certificate of Occupancy.

APPLICATION FEE: The appropriate application fee in the form of a check, money order or government agency voucher made payable to the TOWN OF
DEPOSIT is required as indicated:
