

City of Westlake Village Certification of Landscape Installation

Project Address: _____

City of Westlake Village Project Number: _____

Los Angeles County Permit Number(s): _____

I hereby certify as follows:

1. I am a licensed landscape architect or other professional appropriately licensed in the State of California to provide professional landscape design services.
2. The landscaping and irrigation for the development project described above was installed under my supervision.
3. The landscaping and irrigation for the development project described above is installed according to approved plans and specifications.
4. As installed, the landscaping and irrigation for the development project described above complies with all requirements of the City of Westlake Village Landscaping Standards (Westlake Village Municipal Code Chapter 9.16) and the California Model Water Efficient Landscape Ordinance (California Code of Regulations Title 23, Chapter 2.7).
5. As installed, the irrigation for the development project described above complies with the ASABE/ICC 802-2014 Landscape Irrigation Sprinkler and Emitter Standard.
6. The following are attached hereto: 1) irrigation controller scheduling parameters; 2) landscape and irrigation maintenance schedule; 3) irrigation audit report; and 4) soil analysis report and documentation verifying implementation of all report recommendations.
7. The information provided in this Certification of Landscape Installation and the attachments hereto is true and correct to the best of my knowledge.
