DUMPSTER / STORAGE UNIT APPLICATION

Application fee is: \$25.00 Renewal fee \$20.00 Payable to Borough of Downingtown

PROPERTY ADDRESS: _____

DATES: From _____ **To** _____

§ 133-2 **Permits required.** The owner, operator and user of a dumpster and/or storage pod are each responsible for securing the appropriate right-of-way and public use permit required by the Borough of Downingtown. This permit is to be secured prior to the commencement of any work on a specific project from the Borough Secretary on forms provided by the Borough. **Permits will remain valid for an initial period of 15 days.** Permits may be extended for valid cause after review by the Borough for an additional, reasonable period determined by the Building Code Official and upon payment of extension fees. A single permit will cover the replacement of dumpsters if more than one is required during the duration of the permit.

Throughout the time that the dumpster is present within the Borough at the approved location, the dumpster and/or storage pod is to be emptied when full within two days and kept in a safe, secure and sanitary condition, free of pests, vermin and odor. Should the odor be found to be offensive or be the cause of complaints, the Borough has the right to arrange the removal of the dumpster at the applicant's cost by the carting company. Dumpsters are to be kept covered and doors must be closed during nonuse hours.
