Check ✓ to approve

☐ The City is authorized to review and process the above indicated applications concurrently. I acknowledge that the permits cannot be approved, or a permit issued, prior to land use approval.

☐ I understand that, during the land use process, changes to the site plan and/or other requirements may require revisions to civil and/or construction plans as well as additional review fees.

☐ I acknowledge that any cost that I expend in preparation and processing of the application are at my own risk and that such expenditures will not provide me or my successors any right to the approval of the project application.

☐ If the land use review is denied, I understand that all other permits will be denied, and no application or review fees will be refunded.

☐ I agree to hold the City harmless from any damages arising from the consequences of my request for concurrent processing.
