

License to Encroach Application and Utility Providers' Consent Form

The purposes of a license to encroach are: 1. To determine the potential impacts of proposed encroachments into a City Property, right-of-way, or easement; and 2. To execute a license agreement between the encroaching property owner and the City of Dripping Springs regarding the improvements to be constructed, or which are constructed, on City property, right-of-way, or easement. When proposing to encroach into an easement or right-of-way, any additional utility companies who are entitled to use the easement or right-of-way must be notified and must consent to the encroachment. A list of the utility companies and each representative is included in this form for your convenience as well as a signature blocks for their approvals. All applicable signature blocks must be completed by the respective utility companies prior to submittal of the License to Encroach application. A separate form is required for each property.
