

Demolition Submittal Packet

Only for whole building demolitions

Redmond
WASHINGTON

redmond.gov/BuildingPermits

[Link to current International, Washington State Amendment and City of Redmond building codes](#)

Demolition fees are non-refundable.

Demolition fees are collected prior to the permit being reviewed.

All demolition permits on a parcel must be FINALED before an associated Building Permit can be issued.

Any structure more than 200 square feet in size requires a separate demo permit.

For partial demolition projects, where the entire building is not being removed, a building permit is required.

Electronic Plan Standards

Files that are improperly named or formatted incorrectly may be rejected at intake. Paper plans, incomplete applications and applications delivered by courier will not be accepted and will result in the application being deemed incomplete.

- All plans must be drawn **to scale** and have scale noted on each sheet
- All documents must be uploaded as a **PDF**
- All plans must be uploaded in **landscape** orientation (horizontal position)
- All plans must be named accordingly per the submittal requirements in **BOLD**
- All plans must be **flattened and reduced**
