DESIGN PROFESSIONAL AUTHORIZATION

Project Address/Case Number: _____

I. Certification Authority

Pursuant to California Government Code §65103.5(e), I hereby certify that I am the Design Professional who prepared the protected architectural drawings or other copyrighted design materials submitted for the project listed above, or I am the legally authorized agent of the copyright owner. I represent that I have legal authority to grant the City of Moorpark the permissions selected below.

II. Authorization Options

Please select one of the following options:

- ☐ I authorize the City of Moorpark to reproduce and post all submitted architectural, engineering, and design drawings on the City's website and within public hearing agenda packets.
- ☐ I do not authorize the reproduction of full architectural drawings. Pursuant to California Government Code §65103.5(e), I am providing a separate Site Plan and Massing Diagram that the City of Moorpark may reproduce and post online for public review.
- ☐ I do not authorize the reproduction of drawings and decline to provide a site plan or massing diagram. I acknowledge that under California Government Code §65103.5(e), this refusal grants the City deemed permission to reproduce the submitted architectural drawings for public agenda packets and internet posting.

III. General Provisions and Definitions

Drawings not subject to architectural copyright are not restricted by this form and may be reproduced for public review.

Regardless of the options selected above, the City is required by law to make a full set of plans available for physical, in-person inspection at City Hall during normal business hours.

Massing Diagram: Displays the 3D form, general profile, bulk, setbacks, and size of the building.

Site Plan: A scale document displaying property lines, setbacks, easements, structures, and utilities.
