SHED PERMIT APPLICATION "140 SQUARE FEET OR LESS"

A "SHED" in compliance with this application is a single story detached accessory building used as a tool or dry storage shed, playhouse or similar uses, provided the floor areas do not exceed 140 square feet. All other structures shall require a Building Permit in compliance with the NYS Building Code, Local Laws and Ordinances of the Town of Palermo.

A SHED PERMIT MUST BE OBTAINED BEFORE COMMENCING WORK.

(Supply two copies of Plot Plan & Construction Documents with application)

Construction Documents shall accurately show dimensions and construction of the shed along with pertinent information as per the New York State Building Code.
