FINANCIAL RESPONSIBILITY: By signing this form, you are agreeing to be financially responsible for fines incurred by your child for overdue, lost or damaged materials, according to the fines policy of the Siskiyou County Library.

LIBRARY POLICIES: Only parents or guardians, and not library staff nor volunteers, have the role to determine what items their child/children may check out. Children may also use the library's public computers to access library resources and general Internet sites. The library does use a filter to block obscene images, but it is not 100% successful and does not block other websites that you might find objectionable.

ONLINE SERVICES: Library cards allow access to all of the Library's online resources from any computer, at home or in the library, from the library's website: www.siskiyoulibrary.info.
