Unreasonable Hardship Determination

(For alterations to existing buildings where path of travel does not comply with current code and project cost exceeds current valuation threshold)

Attach to “Application for Exception to Disabled Access Requirements” form

Project Address:	Plan check/Permit # B
Project Description:	
Project Cost (excluding path of travel upgrades): \$	Cost to make all path of travel upgrades: \$

Reason for hardship request and specific path of travel elements that hardship is requested for:

State the impact of path of travel upgrades on financial feasibility of the project:

Describe the nature of the facility’s accessibility which would be gained or lost:

Describe the nature of the use of facility under construction and its availability to persons with disabilities:

I acknowledge that exception from full compliance with the path of travel upgrade requirements of the California Building Code for existing buildings pursuant to CBC 11B-202.4 Exception 8 does not provide relief from other requirements, regulations, or ongoing barrier removal obligations of the Americans with Disabilities Act. I affirm that the information provided on this form is true and accurate to the best of my knowledge and is based on a site investigation. I acknowledge that approvals based on incorrect information I have provided, regardless of why it is incorrect, invalidates the approval.
