

By signing below, you acknowledge and agree to adhere to the Rebuild ABI Infill Development Program Major Renovation criteria outlined below.

1. Replacement of all major mechanical, electrical, and plumbing systems two years or older or as may be required by the City
2. Replacement of the roof coverings with a medium grade/architectural asphalt shingle on the house and any accessory building(s)
3. Replacement of all windows
4. Brick or fiber cement siding
5. 4' wood privacy fence or 4' chain-link fence with metal posts.
6. Front and rear lawn sodded (alternative landscaping designs may be considered)
7. Concrete driveway
8. Meet or exceed current residential building and energy code requirements

Your signature confirms that you have reviewed and understood these requirements and will ensure they are followed throughout the renovation.
