

CAYUGA COUNTY HEALTH DEPARTMENT APPLICATION TO INSTALL A SEPTIC OR HOLDING TANK

OWNER'S NAME _____ E-MAIL ADDRESS _____

OWNER'S MAILING ADDRESS _____ PHONE _____

PROPERTY 911 ADDRESS _____ TOWN _____

PROPERTY TAX MAP NUMBER _____

Proposal to modify/replace the existing septic/holding tank serving the above noted property by the installation of the following **(Check ONLY the items that will be installed)**:

☐ **Septic tank**—size _____ gallons, material (i.e. concrete) _____

☐ **Holding tank with high level alarm**—size _____ gallons, material _____

☐ **Converting existing septic system to a holding tank**

Reason for installation/notes _____

- A sketch of the proposed plan, showing the location of nearest well, dwelling, streams, etc., **must be included** on the reverse side of this form.
- Distance of proposed septic/holding tank to the nearest well on this property or adjacent property _____ ft.
- Number of bedrooms in the house _____.
- Name of company/person preparing this proposal _____.

I will not begin any construction until this proposal is accepted by the Cayuga County Health Department. Installation without acceptance is a violation of the Cayuga County Sanitary Code.

I hereby authorize the Cayuga County Health Department to perform a site check at the property described above.

Please note: There is no review fee for replacement of an existing septic tank or holding tank. If the holding tank is replacing an existing septic system, a review fee of \$100.00 payable to the Cayuga County Health Department must accompany the application.
