On May 1, 2008 Governor Napolitano signed Laws 2008, Ch. 152 (House Bill 2745) into law. The new law contains a "licensing eligibility" section (Arizona Revised Statutes § 41-1080) preventing a state/city agency from issuing a (new or renewed) license to an individual unless the individual has provided the agency with one of the forms of identification listed in the law.

To become or remain eligible for a license, complete this form, staple a photocopy showing both sides of your identification to the back and return to the address in our letterhead (top).

Failure to complete and submit this form to the above cited address and/or the falsification of any information provided herein shall subject applicant to denial, cancellation, or revocation of the business license. Only provide one of the following forms of identification (mark an "X" next to the one you are submitting):

- ☐ 1. An Arizona driver's license issued after 1996 or an Arizona non-operating identification license.
- ☐ 2. A driver's license issued by a state that verifies lawful presence in the United States.
- ☐ 3. A birth certificate or delayed birth certificate issued in any state, territory or possession of the United States.

- ☐ 13. Any other license that is issued by the federal government, any other state government, an agency of this state or a political subdivision of this state that requires proof of citizenship or lawful alien status before issuing the license.
 - ☐ A This section does not apply to an individual if either:
 - ☐ 1. Both of the following apply:
 - ☐ (a) The individual is a citizen of a foreign country or, if at the time of application, the individual resides in a foreign country.
 - ☐ (b) The benefits that are related to the license do not require the individual to be present in the United States in order to receive those benefits.
 - ☐ 2. All of the following apply:
 - ☐ (a) The individual is a resident of another state.
 - ☐ (b) The individual holds an equivalent license in that other state and the equivalent license is of the same type being sought in this state.
 - ☐ (c) The individual seeks the Arizona license to comply with this state's licensing laws and not to establish residency in this state.

"If, pursuant to subsection A of this section, an individual has affirmatively established citizenship of the United States or a form of non-expiring work authorization issued by the federal government, the individual, on renewal reinstatement of a license, is not required to provide subsequent documentation of that status."

"If, on renewal or reinstatement of a license, an individual holds a limited form of work authorization issued by the federal government that has expired, the individual shall provide documentation of that status."

"If a document listed in subsection A, paragraphs 1 through 12 of this section does not contain a photograph of the individual, the individual shall also present a government issued document that contains a photograph of the individual."

By my signature below, I hereby certify, under penalty of perjury that the copy of the document I am providing is a true and accurate copy of the original document and that I am legally authorized to be present in the United States and or that I am a citizen of a foreign country at the time of application, I reside in a foreign country and all benefits related to the license do not require me to be present in the United States in order to receive those benefits.
