

Tree Removal Application

Incorporated Village of Centre Island

303 Centre Island Rd
Oyster Bay, NY 11771

Name: _____ Sec/Lot/Block: _____

Address: _____

Phone: _____ Email: _____

Have you had an approved tree removal permit issued in the last past year: _____

Description of proposed tree work:

A site plan must be attached to this application, all trees to be removed must be marked with bright ribbon prior to inspection. Trees may only be removed from property owned by the applicant.

An insurance certificate must be provided with this application from the tree removal company or arborist. The certificate must state “tree removal” in the description of type of work performed.

If the removal requested is for live healthy trees the Building Department *may* request that a one for one replacement occur as a requirement for approval.
