PLEASE READ THE FOLLOWING INFORMATION CAREFULLY BY PRINTING OR TYPING ALL ANSWERS

A subordinate retailer's permit is valid only for the business(s) of the owner named in the permit at the named location. Permits are issued to the owner of the property, whether a person, firm, corporation, joint stock company, LLC, etc. For the purposes of this permit, a lease with a term of at least one year shall constitute ownership. A beer permit is not transferable from owner to owner or location to location. This permit is for a single location only and must be within the "Permitted Area" within the "Common Area". A diagram indicating the "Common Area" and the "Permitted Area" shall be provided with this application. On-premise permits relating to taverns or craft beer retailers require a minimum distance of 150 feet from any school (public, private or church) as defined in 8-203 of the Maryville Municipal Code. **All applicable, complete and accurate information MUST be provided in the application document.** Beer permit approval is restricted to sites in compliance with current City of Maryville building codes. During the application process, it is the applicant's responsibility to arrange for building, fire and health inspections for the "Permitted Area" and "Common Area". The City will place a public notice in The Daily Times. This notice will run one (1) time at least ten (10) days prior to the Beer Board meeting. State law requires a \$100.00 annual privilege tax which is due each January. New permittees will pay a prorated annual tax. A permit holder must surrender the beer permit to the City Records Office within ten (10) days of termination of the business, major ownership changes and/or location changes. A major change in ownership for a corporate owner occurs when at least fifty percent (50%) of the stock of a corporation or the membership interest in an LLC is transferred to a new owner.
