The Village assumes no liability for injury or damage to person or property of the permit owner or others while using the park or while vehicle or trailer is parked. Permit owner agrees to abide by the regulations promulgated by the Village and to faithfully observe and comply with the provisions of the Code of the Village, laws of the state, and the laws and regulations promulgated by the United States Government. Failure to do so shall constitute cause for revocation of this permit without notice. The permit owner accepts all the conditions here imposed, and shall be responsible for any person occupying his/her boat. This permit is not transferable and shall be void in the event ownership of the boat described herein is transferred by the permit owners.

Vehicles parked in an EV Charging spot must be actively charging in order for the requirement of a parking permit to be waived. The Village reserves the right to close the park for special events.
