

PATH OF TRAVEL ACCESSIBILITY WORKSHEET

Existing Buildings - Projects at or Below the 2026 Valuation Threshold (\$209,208)
2025 CBC Section 11B-202.4, Exception 8

APPLICABILITY. Use this worksheet when 2025 California Building Code Section 11B-202.4 requires path-of-travel accessibility improvements for an alteration, addition, or structural repair and the adjusted construction cost is at or below the 2026 valuation threshold of \$209,208. When the estimated cost of full path-of-travel compliance exceeds 20% of the adjusted construction cost, provide compliance to the greatest extent possible within the 20% limit, following the priority order in Section 2.

PROJECT INFORMATION

Project Address:		Permit / Plan Check No.:	
Project Description:		Applicant / Firm:	
Permit Valuation:	\$	Applicable Valuation Threshold:	\$209,208
Project Type:	☐ Alteration ☐ Structural Repair ☐ Addition		

1. ADJUSTED CONSTRUCTION COST AND 20% LIMIT

A	Current project adjusted construction cost.	\$
B	Cost of applicable prior alterations during the preceding three-year period (see Section 3).	\$
C	Total adjusted construction cost used for this worksheet (A + B).	\$
D	20% path-of-travel cost limit (C x 0.20).	\$
E	Estimated cost of full compliance for applicable path-of-travel elements.	\$
F	Total cost of path-of-travel improvements proposed with this permit.	\$

Applicability determination

- ☐ Item C is at or below the applicable valuation threshold. This worksheet applies.
☐ Item C exceeds the applicable valuation threshold. This worksheet does not apply.

Path-of-travel cost determination

- ☐ Item E is less than or equal to Item D. Provide full applicable path-of-travel compliance.
☐ Item E exceeds Item D. Provide compliance to the greatest extent possible within the 20% limit.

2. PATH OF TRAVEL ELEMENTS - PRIORITY ORDER

#	Accessible Element	Existing Complies?	Work Proposed	Estimated Cost
1	Accessible entrance	☐ Y ☐ N ☐ N/A	☐ Y ☐ N ☐ Partial	\$
2	Accessible route to the altered area	☐ Y ☐ N ☐ N/A	☐ Y ☐ N ☐ Partial	\$
3	At least one accessible restroom for each sex, or one accessible single-user/family restroom	☐ Y ☐ N ☐ N/A	☐ Y ☐ N ☐ Partial	\$
4	Accessible telephones, if provided	☐ Y ☐ N ☐ N/A	☐ Y ☐ N ☐ Partial	\$
5	Accessible drinking fountains, if provided	☐ Y ☐ N ☐ N/A	☐ Y ☐ N ☐ Partial	\$
6A	Accessible parking	☐ Y ☐ N ☐ N/A	☐ Y ☐ N ☐ Partial	\$
6B	Other additional accessible elements, when possible (signs, storage, alarms, etc.)	☐ Y ☐ N ☐ N/A	☐ Y ☐ N ☐ Partial	\$

IMPORTANT: The 20% limit applies to path-of-travel improvements triggered by CBC 11B-202.4. It does not limit accessibility requirements within the area of alteration, addition, or structural repair. Any claim of technical infeasibility or other exception must be separately documented and approved.

3. PRECEDING THREE-YEAR ALTERATION HISTORY

Complete this section when an area was previously altered without providing an accessible path of travel to that area and, within three years of that original alteration, a subsequent alteration is undertaken in the same area or in a different area on the same path of travel. Include the adjusted construction cost of applicable prior alterations to the areas on that path of travel during the preceding three-year period. Do not include the current project shown in Item A. Carry the total below to Item B on Page 1.

Permit / Plan Check	Area / Scope	Date	Adjusted Construction Cost	Accessible POT Provided?
				☐ Y ☐ N
				☐ Y ☐ N
				☐ Y ☐ N
				☐ Y ☐ N

Total applicable prior adjusted construction cost carried to Item B on Page 1: \$ _____

4. DESCRIPTION OF PATH OF TRAVEL IMPROVEMENTS

Describe the improvements to be provided, including any partial improvement where full compliance is not achievable within the 20% limit. Reference plan sheet/detail numbers where applicable.

5. REQUIRED SUPPORTING DOCUMENTATION

- ☐ Site/floor plan identifying the altered area and the accessible path of travel.
- ☐ Itemized cost estimate for the proposed accessibility work.
- ☐ Documentation of applicable prior alterations, if any.
- ☐ Other: _____

6. APPLICANT CERTIFICATION

I certify that the information provided on this worksheet is true and complete to the best of my knowledge; that applicable prior alterations have been disclosed; and that the costs shown are reasonable estimates of the work identified. I understand that acceptance of this worksheet does not waive accessibility requirements applicable to the area of alteration or other code requirements.
