- 1) Permits are single day permits and expire at dusk of the day issued, except multiday permits which are valid until dusk for seven days from the date issued. NOTE: Daily authorization by a Fire Official is required on a seven-day permit. All fires must be extinguished by dusk.
- 2) The fire must be attended by a competent adult at all times.
- 3) Any member of the Fire Department may revoke trench burn permits at any time.
- 4) Special requirements noted on the permit must be complied with.
- 5) Only brush, non-treated lumber products, diseased animals or similar materials may be burned.
- 6) Burning of trash, treated lumber, or other non-natural materials are illegal and will result in fines.

I accept full responsibility and assume sole liability for any damage or inconvenience that may be suffered by any individual, business, corporation, or governmental entity as a result of this fire, the smoke it creates, or any condition related thereto. I release the City of Mansfield, its employees, agents and officials, from any responsibility for, and any claims that may arise from, the issuance of this permit. I further understand and agree to comply with all City Ordinances and State regulations that govern open burning and the issuance of this permit. I understand that violations of the City Ordinances may carry fines of up to \$2,000.00, in addition to sanctions by the State. I certify that I will personally conduct or oversee the burning of materials pursuant to this permit, and will monitor and make adjustments that may be necessary to insure that neither the size of the burn, nor the smoke produced, will present a hazard or inconvenience to any other person or property.
