Oakley C&D Waste Management Plan

Oakley requires at least 65% diversion (Per CalGreen) of the job-site waste materials from the landfill for the following covered projects:

- Any residential or commercial remodeling or building project where total costs are valued at \$30,000 or greater; or
- Any City-owned or City-sponsored project regardless of permit value; or
- Any residential or commercial demolition project regardless of permit value; or
- Any newly constructed residential building three stories or less, and non-residential occupancies. (CalGreen Sections 4.408 and 5.408); or
- Any residential or commercial roofing or re-roofing project regardless of permit value.

1. Identify the Property Owner/Project Manager:
