Short-Term Rental Guidelines, Safety, and Habitation Standards:

Initial next to each guideline to demonstrate that you have read and acknowledged the guidelines for short-term rentals within the Unified Government.

	Initial
Guest reservations must be for a minimum of 24-hours.	
Guest reservation information must be maintained and documented for a period of not less than one (1) year.	
If this is a non-owner occupied short-term rental, liability insurance in the amount of \$1,000,000 must be maintained through the duration of the permit. If this is an actively owner-occupied short-term rental, homeowner's insurance must be maintained through the duration of the permit.	
Sleeping quarters for short term tenants or guests shall not be in non-residential areas within buildings that do not contain finished living space (e.g. unfinished garage, unfinished storage shed); or in commercial (office/retail) or industrial (warehouse) spaces.	
The use of short-term rental property for any commercial use or large social events or gatherings, such as weddings, is prohibited.	
The city issued Special Use Permit and Business License numbers shall be used in all rental marketing materials.	
No meals shall be prepared for or served to the renter by the owner or the owner's agents without an approved Food Handler's License.	
The owner or owner's agent will provide information within the dwelling unit to inform and assist renters/guests in the event of a natural disaster, power outage, or emergency including but not limited to tornado, severe weather or storm, or flash flooding. Information should contain appropriate designation for shelter in place, evacuation, or utility contact information.	
An evacuation diagram identifying all means of egress shall be posted in a conspicuous place near the front door on each unit.	
The guide or manual provided to occupants shall include information for utility service connections, such as location and accessibility, in order to disconnect utilities from service in the event of an emergency.	
There shall be no evidence of pest infestation.	
If there is a fireplace or solid fuel barbecue, the short-term residential rental shall be equipped with a minimum five-gallon heat rated metal container with a tight-fitting lid for ash disposal, which is clearly labeled. Instructions on storage or placement of ashes shall be stated in the rental agreement and on the notice posted within each unit. Do not place can on or near any furniture or other combustible material. Ashes must be wet down thoroughly with water. Ash can must be stored outside with a minimum of three (3) foot clearance from building, porch, trees, etc. A lid must remain on ash can when in use. A proper water source shall be immediately available to the solid fuel BBQ. If fire suspension is in effect in region, all fire codes from local jurisdiction shall be adhered to. Solid fuel barbeques or grills are prohibited on wood decks, landings, or porches.	
For properties built before 1978, there should be notification in the guest book that there could potentially be lead based paint within the residence.	

For properties built before 1978, there should be notification in the guest book that there could potentially be lead based paint within the residence.	
If pets are allowed on the property, the owner and its agents shall maintain that tenants, guests, and occupants keep the pet in accordance to Chapter 7 of the municipal code, particularly Chapter 7 Article VI.	
Each dwelling must be properly cleaned and sanitized after each guest check-out.	
Trash must only be set to the curb on the designated trash days during specified hours and should not accumulate in the front yard or any right of way space outside the designated trash pickup hours.	
Applicant acknowledges that the property may be inspected at any time upon request, complaint, or emergency.	
Property shall be up to date on inspections and related items on the following safety and habitation standards, including but not limited to: • All bedrooms and sleeping quarter must meet egress requirements either by door or by window. • Smoke detectors shall be installed on each floor of the dwelling unit and in hallways adjacent to sleeping areas, in each bedroom, each room that has a fireplace, each room that has a water heater, furnace, clothing dryer, or electrical panel. • CO2 detectors shall be installed on each floor of the dwelling unit, in hallways adjacent to sleeping areas, and in each room that has a water heater, furnace, or electrical panel. • GFCI outlets shall be provided in each bathroom, kitchen, garage, basement, and exterior areas. Windows must be operable, not blocked or boarded. • All glass shall be free of cracks or defects. • Handrails must be provided with four (4) or more risers, including into basement areas, porches, or other walkways. • Where required, guards and guardrails must be maintained to code. • There shall be no exposed wiring, uncovered junction boxes, improper spicing, or overloaded electrical circuits. • The electrical panel(s) should be properly wired, and the panel must not be of any recalled manufacturers such as Zinsco or Federal Pacific Electric. • Dryer vents must be free and clear of any lint or debris. • The residential rental shall be equipped with a minimum of one 5 (five) pound C type extinguisher with 75 feet of travel distance to all portions of the structure; there shall be no less than one such extinguisher per floor. The fire extinguisher(s) shall be mounted in visible locations with the tops of the fire extinguishers mounted between three feet and five feet above the floor and shall be always accessible to occupants. Annual certification tags must be provided and be current on all extinguishers. • There shall be no permanent use of extension cords for appliances, heaters, lamps or other fixtures. • Mechanical flues and associated liners shall be maintained in proper condition and exhaust, including but not limited to furnace and chimney flues. • Faucets and fixtures shall be maintained in working condition. There shall be no leaking fixtures or clogged or leaking wastewater lines. Showers, sinks and bathing facilities shall be clean and shall drain properly. • Hot water tank must be operational at a temperature of no less than 120°F. • All gas shut off valves shall be to current plumbing, mechanical, or fuel gas codes including at water heater, furnace, or fireplace. Copper gas piping is prohibited.	

- Fireplaces shall be equipped with screens which are adequate to prevent sparks or rolling logs from escaping the fireplace opening.
- All outlets shall have properly fitting faceplates.
- Double-keyed locks are not allowed.
- All exterior doors, landings, and stairs must be well lit.
- Sidewalks and exterior pathways must be free of trip hazards such as cracks or other defects.
- Overhead power lines must be 10 feet above all porches, decks, balconies, and grade. A 3-foot clearance beside or below operable windows must be maintained.
- All powerlines must meet current BPU standards.

Neighborhood Meeting Guidelines

Applicability of meeting requirement:

Neighborhood meetings are required for the following application types:

1. Change of Zone;
2. Master Plan Amendments;
3. Special Use Permit;
4. Non-Owner Occupied Short-Term Rentals;
5. Preliminary Plan Reviews; and,
6. Variances

Neighborhood meeting notices are sent to the following parties at least 14-days prior to the scheduled meeting:

1. Listed property owners within 200 feet of the subject property/project area;
2. In-District Commissioner and Commissioner At-Large for the subject property/project area; and,
3. Neighborhood groups and neighborhood business revitalization groups that are registered with the [UG's Livable Neighborhood Division](#) for the subject property/project area.

Items provided to Applicants by Staff:

The following items will be provided to applicants by staff approximately one (1) to two (2) weeks after the application submission deadline:

1. Instructions for hosting a neighborhood meeting;
2. List of property owners within 200 feet that must receive an invitation to your meeting (see above);
3. Affidavit to be signed, stating that the meeting was conducted;
4. Sample meeting letter, which the applicant may fill in with their information; and,
5. Sample minutes to follow during the neighborhood meeting.

Sending Notice of Neighborhood Meeting to Property Owners:

1. Determine the location of your neighborhood meeting:
 - a. Your meeting must be within close proximity of the subject property;
 - b. Your meeting may be held online, via Zoom, Microsoft Teams, or Google Meeting. Login information must be included within your letter.
2. Determine the time of your neighborhood meeting:
 - a. Meetings must be scheduled after 4:00pm on the weekday, or on the weekend.
3. Use the attached sample letter template to write your meeting invitation. Letters shall include the following information:
 - a. Contact information for the applicant(s);
 - b. Petition number(s) of the applicant's request;
 - c. Detailed explanation of the project; and,
 - d. Time, date, location or log-in information for the meeting.
4. Letters must be postmarked 14-days prior to the scheduled meeting date.
5. Letters are not required to be sent by certified mail, however, the applicant may choose to do so, in order to have a record of when notices were sent/received.

Conducting the Neighborhood Meeting

1. Provide a sign-in sheet for attendees (if in-person) or screenshot of the meeting, showing all attendees (if held online).
2. Designate a member of the applicant team to take minutes of the meeting. A sample of meeting minutes is provided to applicants.
3. The meeting shall be open to the public for at least 30 minutes, so to ensure that potential attendees are able to participate.
4. Your presentation of your project shall include the following items:
 - a. Detailed description of the project, including renderings, plans, photos, etc.
 - b. Detailed description of the parties involved with the project, and their roles in the project.
 - c. Details of how the project will operate (hours of operation, type(s) of business, etc)
5. After your presentation, the applicant shall allow the public to ask questions or express any potential concerns regarding the proposed project.
 - a. The applicant shall answer all questions or concerns to the best of their ability.

After the meeting:

After the neighborhood meeting, the following items shall be emailed to staff, including:

1. Sign-in sheet from the meeting (or screenshot if meeting held online);
2. Minutes from the meeting;
3. Affidavit, confirming that the meeting was conducted; and,
4. Any comments received by the public, aside from those that attended the meeting.

Zoning Sign Placement Guidelines

Applicability:

Zoning signs are required to be placed on the property for the following applications:

1. Change of Zone;
2. Master Plan Amendments;
3. Special Use Permit;
4. Non-Owner Occupied Short-Term Rentals;
5. Preliminary Plan Reviews; and,
6. Variances

Placement:

The purpose of this sign is to inform the public of a pending public hearing. The following criteria below will help in the placement of the sign.

1. Zoning sign must be visible from the street;
2. Place the sign perpendicular to the street, so that both sides are visible;
3. If there is a choice of streets, place the sign along the most traveled street;
4. Post the sign so that it is visible above any grass or shrubs in the area;
5. The sign should not be placed in the right-of-way. When in doubt, place the sign at least 10-feet away from the edge of the street; and,
6. The sign must be posted no later than 21-days prior to the hearing and must be kept in place until after the City Planning Commission, at which point it shall be removed and disposed of properly.
