I accept legal and civil responsibility for any actions during the operation of the cart.

Owner's Signature: _____ Date: _____

Notary: _____ Expiration Date: _____

Process for Obtaining Motorized Cart Registration

- Read Motorized Cart Ordinance; _____ *(please initial here)*
- Complete the Motorized Cart Registration and turn in along with the applicable registration & application fee.
- Complete the Motorized Cart Equipment Affidavit
- Owner of Motorized Cart must provide at time of application:
 1. Valid Driver's License
 2. Proof of insurance *(should be kept in cart at all times while in operation)*
- Once all paperwork is completed and approved, you will be issued a registration decal to be affixed on window of the cart before operating. The decal will display your registration number.
- Your permit will be valid for 5 years from registration date.

****Note: State Law mandates that motorized carts weigh under 1,300 pounds and cannot exceed 20 mph. If your vehicle does not comply, it cannot be legally registered or used on designated roads.***

Motorized Cart Equipment Affidavit

All motorized carts shall have the following equipment affixed and in good working order per City Ordinance Sec.78-126: (Please initial each requirement)

_____ An operative braking system

_____ A main power switch. When the switch is in the "off position," or the key or other device that activates the switch is removed, the motive power circuit shall be inoperative. If the switch uses a key, it shall be removable only in the "off" position;

_____ Head lamps and tail lamps

_____ Reflex reflectors

_____ Rearview mirror

_____ Safety warning labels

_____ Hip restraints and hand holds

In addition to the equipment required above, **gasoline operated** motorized carts shall have the following equipment affixed and in good working order:

_____ An exhaust system, meeting the following specifications:

1. The exhaust system shall not include a modified muffler or exhaust pipes.
2. The exhaust and its elements shall be securely fastened
3. The engine and powered mechanism shall be so equipped, adjusted and tuned as to prevent the escape of excessive noise, smoke or fumes.

_____ ***All motorized carts will have stickers affixed to the inside front driver's side window.*** See attached photo on next page. If the motorized cart is sold, destroyed, or no longer owned by you, you will need to remove the decal and return them to the office. This will ensure the registration does not come back to you in case an incident occurs that requires the cart owner to be held liable for violations and/or damages.

Location of Permit Decal

I have read and understand the above information. I hereby certify that the information contained in this affidavit is true and complete to the best of my knowledge. By signing this affidavit, I understand this is an official document.
