Application for Street Opening Permit

Street Address of Construction: _____
Property Owner: _____
Contractor: _____
Permit #: _____ Date: _____

Purpose of street opening: _____
Opening(s) will be made in the: _____ grass tree lawn _____ paved roadway
Number or street openings: _____ Size of openings: _____
Anticipated Start Date: _____ Completion: _____

Note the following:

1. The project must be approved by the City of Pepper Pike and the City of Cleveland (if water main is involved).
2. Working hours for the road openings within the paved portions must be done after approval by the Building Department, City Engineer and Police Department.
3. Arrangements for traffic control must be made with the Pepper Pike Police Department prior to commencement.
4. Arrangements for inspections must be made with the City Engineer's office prior to commencement.
5. Contractor will be responsible for all excavating backfill, repairing of street and setting barricades as necessary and thus relieves the City from any and all liability.

A copy of the rules and regulations from excavations within the public right of way may be obtained from the City Engineer's office.

It is the contractor's responsibility to keep streets clean at all times. If mud and other debris is tracked on the street, the Pepper Pike Service Department will be called to clean up and the cost will be assessed to the permit holder.

Deposit – \$600.00 Same side of street
Deposit – \$1,500.00 Across the side
