SB 205 Stormwater Discharge Compliance Form

Business Name _____

Business ID _____

Senate Bill (SB) 205, signed by Governor Newsom in 2019, requires a person or entity who conducts a business operation that is a “regulated industry” to demonstrate enrollment with the National Pollutant Discharge Elimination System (NPDES) permit program. By providing specified information on an initial or renewed City business license application, enrollment in the NPDS permit can be confirmed. The goal of the program is to address the health and safety of drinking water sources statewide.

SB 205 does not affect all businesses. Only those businesses with primary Standard Industrial Classification (SIC) codes that are identified by the State Water Board as requiring enrollment in the Industrial General Permit (IGP) are affected. The questions below will guide you and the City in determining if your business requires enrollment in the IGP. **Completion and submission of this form is required for both 2020 new business license applications and renewals.**

1	What is the physical location/address of this business? Complete a separate SB 205 compliance form for each physical location/address in Gonzales	
2	What are the primary Standard Industrial Classification (SIC) codes for this business location? Look up your SIC codes here: https://www.osha.gov/pls/imis/sicsearch.html and search by keyword(s) (for example: metal recycling) OR your insurance broker should also know your SIC code(s).	_____ _____
3	Do any of the Primary SIC codes from question #2 above match any of the regulated SIC codes listed on the Water Board website below? https://www.waterboards.ca.gov/water_issues/programs/stormwater/sicnum.shtml	
4	If you circled NO to Question #3, sign the back of the page and return this form with your business license renewal. Nothing more for SB205 is required of the business at this time.	
5	If you circled :YES in Question #3, has the business already obtained and Industrial NPDES Permit?	Circle One YES NO
	If you circled YES in Question #5, provide the requested information regarding the exiting Industrial NPDES Permit. Sign	WDID# _____

6	the back page and return this form with your business license renewal. You are in compliance with SB205	WDID application # _____ NONA ID# _____ NEC ID # _____
7	If you circled NO in Question #5, you need to enroll under the Stormwater Industrial General Permit (IGP) and provide the City with your permit numbers as described in Question #6 above. Sign and return this SB205 Compliance form with your business license renewal now. Start the process of obtaining the Industrial General Permit by contacting the State or Regional Water Board at the information listed below. The City will issue you a 3-month provisional business license while you obtain the IGP and report the permit numbers to the City.
