

PULASKI COUNTY 911 ADDRESS APPLICATION

1. Name: _____

2. Address: _____

3. City, State, Zip: _____

4. Phone Number: _____

5. Legal Description for which this permit is to be issued: _____

6. Describe the nature of the structure or use to be address. Use additional sheets if necessary.

7. The following information will be attached to this application before it will be considered:

- A. An on-site wastewater permit, or a waiver from the Arkansas Health Department, or a letter committing to provide service from the operator of an already existing sanitary sewer.
- B. A completed driveway permit application from the Pulaski County Road and Bridge Department.
- C. A development site plan containing as-built improvements and conditions or proposed improvements and conditions, proposed road names, if any, and an

address point for each improvement that is occupiable or will receive service from a public utility.

- D. A floodplain development permit application and applicable fee if any part of the property is located within an area designated as a 1% annual chance of flooding (SFHA).
- E. A property deed, current survey, title opinion or letter, or parcel number establishing ownership of the property, and authorization of agency if someone other than the property owner is submitting the application, along with contact information for the applicant and owner.
- F. A certification that any proposed new or altered structure located on the property will be constructed, altered, relocated, enlarged, or repaired in conformity to the State-adopted codes that are applicable as of the date of the submittal. The certification shall be notarized and signed under oath by the applicant.
