Terms and Conditions

This form authorizes an individual other than the credit holder to utilize the credit holder's account on a single occasion only. In the event that all planned permits are not available for pick-up on the same day, a subsequent authorization will need to be obtained.

This form does not constitute a guarantee that credits are or will be available at the time permits are issued. If insufficient credits are available to cover the current needs, credits will be utilized up to the account balance only.

Credits may be utilized only for which they were originally granted. Credit holder is responsible for ensuring that authorized users are aware of this restriction.

For unlimited authorization to utilize credit accounts please have individual added to the authorization list maintained at the Department of Community Development.
