FIREWORKS DISPLAY PERMIT REQUEST FOR TEMPORARY USE

Firework displays with a proximate audience require an application to the Hinesville Fire Department thirty (30) days in advance of the display date. This application and payment of \$500.00 should be submitted to the Hinesville Fire Marshal's Office thirty (30) days in advance to ensure an efficient review process.

E-mail the complete packet to firemarshal@cityofhinesville.org

Payment must be made in-person or by mail with a check payable to Hinesville Fire Department, 304 S. Commerce Street, Hinesville, GA 31313

Upon approval from the Hinesville Fire Marshal's Office, a permit will be issued to the vendor, pending a site safety inspection from a fire inspector. A representative demonstration of the pyrotechnics may be required to be provided to the Fire Marshal before the permit is approved.

Displays that do not meet the requirements of a proximate display still require an application to be submitted to the Hinesville Fire Marshal's Office for a permit to be issued.

STANDBY FEE

The Fire Marshal, upon reviewing the required documentation, may require standby fire safety personnel to be present with a dedicated engine company. The fee will be assessed based on the need for the display (outdoor, indoor, and proximate audience size).

The HFD has the authority to stop the discharge of pyrotechnics/flame effects.
The ultimate responsibility for firing shall be that of the pyrotechnic operator.

For Questions, please contact our **Chief Fire Marshal**, Michael Scoggins,
via e-mail at mscoggins@cityofhinesville.org or call (912) 876-4143.
