Date

Separate permits are required for electrical, plumbing and mechanical. This permit becomes null and void if work or construction authorized is not commenced within 6 months, or if construction or work is suspended or abandoned for a period of 6 months at any time after work is commenced. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any state or local law relating to construction, nor does it give authorization or approval to encroach on any easement or property or violate any deed restrictions. The City shall never be liable for any damages or loss by reason of the issuance hereof. Each holder and other persons acting under authority of this permit are personally responsible for compliance with all the above provisions and assume all of the risks incidental to the work being permitted.

I hereby certify that I have read and examined this application and know the same to be true and correct.
