Prior to the issuance of such a permit the city secretary shall collect from such applicant the sum of three dollars (\$3.00) as a permit fee. [1] Such permit shall be displayed openly during all hours of such garage sale at the location in plain view, and the failure to display such a permit shall constitute a misdemeanor offense. Organizations exempt under Section 501(c)(3) of the Internal Revenue Code or as amended, shall be exempt from payment of the permit fee but shall be subject to the remaining portions of this ordinance. **Editor's Note: The fee for a garage sale permit was set at \$5.00 by Res. (b) Garage sales shall be permitted provided such sales shall not continue for more than forty-eight (48) consecutive hours and no more than two (2) such sales shall be conducted at the same address in any twelve (12) month period.

(c) All items offered for sale shall have been originally purchased by the person offering such for sale for their own original household use and no item offered for sale at such garage sale shall have been purchased by the seller for the purpose of offering such for resale.

(d) No item for sale shall be displayed outside of the residence, garage or carport unless such is displayed in the back yard of such residence and not visible from a public street.
