

POOL PROTECTION DEVICE VERIFICATION

PROPERTY STREET ADDRESS: _____

CITY: _____ STATE: _____ ZIP CODE: _____

I certify that I, the owner or representative at the property located above, ensure both of the following swimming pool protection devices will be installed at or before the final pool inspection:

1. All doors with direct access to the pool are equipped with an audible alarm that sounds continuously for a minimum of thirty (30) seconds after the door is opened. It must be capable of providing an audible warning level that can be heard throughout the home. The alarm shall automatically reset and be equipped with a manual means to temporarily deactivate the alarm for a single door. The deactivation device shall be located a minimum of 54" above the door threshold.
2. All gates leading to the pool area are equipped with self-closing and self-latching hardware with the release mechanism located a minimum of 54" above the floor or ground level. Electrically powered gates **DO NOT** meet the requirements. These devices are subject to approval by the Building Official.
